WHEREAS, Since 1976, substantial City resources have been devoted to the preservation and creation of housing for the International Hotel Block; and

WHEREAS, On April 22, 1982, the Planning Commission initiated reclassification of the subject block from C-2 (Community Business) to an RC-4 (Residential-Commercial High Density) district because this district was the most consistent in the existing Planning Code with the recommendations in the adopted plan, and

WHEREAS, Additional time is needed for study and processing of a mixed use classification for Block 195 in conjunction with related pending zoning reclassifications of C-2 (Community Business) districts throughout the City, including areas in the vicinity of Block 195 which could provide zoning more consistent with the adopted plan and the needs of existing area, and

WHEREAS, Section 302 (e) of the City Planning Code provides for extending interim controls for an additional period; and

WHEREAS, The interim controls should remain in effect to assure development on the I Hotel Block will contain housing and be consistent with adopted policies, now, therefore, be it

[State Legislation]
URGING THE PASSAGE OF AB 1540 BY THE CALIFORNIA STATE LEGISLATURE.

WHEREAS, This Board of Supervisors placed on the November 1982 ballot the question of creation of an Office of Citizens' Complaints in the Police Department; and

WHEREAS, That ballot measure, Proposition A, was approved by the voters; and

WHEREAS, Section 832.7 of the California Penal Code concerning the confidentiality of police records pertaining to investiation of citizens' complaints against police officers has been interpreted to prevent a complainant from being present when a police officer testifies relative to a complaint, but not to prevent the presence of a police officer when the complainant testifies; and

WHEREAS, Existing law has also been interpreted to prevent a complainant from accessing information pertaining to the investigation in order to assess the thoroughness or accuracy of the investigation and the advisability of requesting a hearing to obtain all relevant information; and

WHEREAS, The exclusion of a complainant under these circumstances acts to prevent the most thorough and impartial possible investigation of citizens' complaints and to discourage judicious investigation of complaints; and

WHEREAS, Existing law will prevent the fullest and most judicious operation of the Office of Citizens' Complaints in the Police Department; now, therefore, be it

RESOLVED, That the Board of Supervisors urges adoption of AB 1540 (Waters) by the California State Legislature which would exclude duly authorized boards or agencies composed or civilian investigators from coverage of Section 832.7 of the Penal Code; and be it

FURTHER RESOLVED, That the Board of Supervisors supports the amended version of AB 1540 which will assure the confidentiality of police personnel records; and be it
